

## SUBJECT AND AUTHOR INDEX

|   |        |
|---|--------|
| Adams, E. Q., Forsythe, W. E., and Barnes, B. T., Fluorescence and fluorescent lamps..... | 13     |
| Air conditioning and fluorescent lamps.....   | 36     |
| Barnes, B. T., Forsythe, W. E., and Adams, E. Q., Fluorescence and fluorescent lamps..... | 13     |
| Biological Sociology.....   | 146    |
| Chemistry and modern laundry practice.....  | 71     |
| Crinoid, Tegminal structure of Pennsylvanian-Permian crinoid <i>Delocrinus</i> ...        | 1      |
| Crocodile, <i>Dakotasuchus kingi</i> , from Dakota of Kansas.....                         | 47     |
| Dakota sandstone, <i>Dakotasuchus kingi</i> , crocodile from Dakota of Kansas....         | 47     |
| <i>Dakotasuchus kingi</i> , abdominal ribs.....   | 59     |
| caudal vertebrae.....   | 58     |
| cervical vertebrae and ribs.....  | 53     |
| coracoid.....   | 61     |
| crocodile from Dakota of Kansas.....  | 47, 66 |
| dorsal ribs.....  | 57     |
| dorsal shield.....  | 48     |
| dorsal vertebrae and ribs.....  | 55     |
| ilium.....  | 62     |
| interclavicle.....  | 61     |
| ischium.....  | 63     |
| lumbar vertebrae.....   | 57     |
| occurrence and history of specimen of <i>Dakotasuchus kingi</i> .....                     | 47     |
| pectoral girdle.....  | 59     |
| pelvic girdle.....  | 61     |
| pubis.....  | 63     |
| sacral vertebrae.....   | 58     |
| scapula.....  | 60     |
| ventral armor.....  | 50     |
| ventral ribs.....   | 59     |
| vertebrae column.....   | 52     |
| Deeds, Edward, Symbolic Logic.....  | 162    |
| <i>Delocrinus</i> , characteristics.....  | 1      |
| geologic distribution.....  | 2      |
| granulosus Moore and Plummer.....   | 3, 12  |
| megalobrachius.....   | 5, 12  |

|   |       |
|---|-------|
| Delocrinus, sp. from Bartlesville, Oklahoma.....                              | 8, 12 |
| Tegminal structure of Pennsylvanian Permian crinoid Delo-                     |       |
| crinus.....   | 1, 3  |
| waughi, n. sp.....  | 9, 12 |
| Denison Scientific Association, Report of Permanent Secretary for year 1940-  |       |
| 1941.....   | 160   |
| Denison University, Life Science Building.....                                | 156   |
| Detweiler, Frederick G., The Racial Map of Europe as Drawn Today.....         | 164   |
| Donner, Henry F., Trekking across Africa.....                                 | 160   |
| Dyeing, re-dyeing garments in laundries.....                                  | 125   |
| Emerson, Alfred Edwards, Biological Sociology.....                            | 146   |
| Fernelius, W. Conard, Reactions in Liquid Ammonia.....                        | 161   |
| Fluorescence, advantages of fluorescent lamps.....                            | 39    |
| and fluorescent lamps.....  | 13    |
| "cold light".....   | 37    |
| color of fluorescent lamps.....   | 43    |
| developing proper phosphors.....  | 26    |
| development of fluorescent lamps.....   | 18    |
| effect of variation of voltage.....   | 40    |
| efficiency of fluorescent lamps.....  | 35    |
| efficiency of low pressure mercury arc.....                                   | 21    |
| flicker of fluorescent lamps.....   | 33    |
| fluorescent lamps and air conditioning.....                                   | 36    |
| low pressure mercury arc.....   | 20    |
| life of fluorescent lamps.....  | 40    |
| methods of reducing flicker of fluorescent lamps.....                         | 35    |
| operation of fluorescent lamps.....   | 33    |
| quantum efficiency.....   | 15    |
| quantum efficiency of fluorescent lamps.....                                  | 42    |
| results of using low pressure mercury arc.....                                | 25    |
| source of exciting radiation.....   | 19    |
| starting the arc.....   | 24    |
| Stokes' law for fluorescence.....   | 15    |
| testing phosphor.....   | 28    |
| theory of fluorescence and phosphorescence.....                               | 16    |
| Forsythe, W. E., Barnes, B. T., and Adams, E. Q., Fluorescence and fluores-   |       |
| cent lamps.....   | 13    |
| Fur and garment storage.....  | 130   |
| Glaciation, Illinoian Glaciation in Killbuck Valley South of Millersburg,     |       |
| Ohio.....   | 135   |
| Haynes, Earl R., Chemistry and modern laundry practice.....                   | 71    |
| Hubbard, George D., Illinoian Glaciation in Killbuck Valley South of Millers- |       |
| burg, Ohio.....   | 135   |

|   |          |
|---|----------|
| Illinoian Glaciation in Killbuck Valley South of Millersburg, Ohio.....   | 135      |
| Instructor, What students want in an instructor.....  | 67       |
| Kansas, <i>Dakotasuchus kingi</i> , crocodile from Dakota of Kansas.....  | 47       |
| Killbuck Valley, Illinoian Glaciation in Killbuck Valley South of Millersburg,<br>Ohio.....                                   | 135      |
| Lamps, Fluorescence and fluorescent lamps.....  | 13       |
| Lewis, T. A., Some Experimental Gains in Mental Hygiene.....  | 162      |
| Life Science Building at Denison University.....  | 156      |
| dedication.....   | 168, 173 |
| Lindsey, Arthur Ward, Life Science Building at Denison University.....  | 156      |
| The Biology of War.....   | 161      |
| Laundries, action of detergents.....  | 85       |
| Chemistry and modern laundry practice.....  | 71       |
| detergents.....   | 80       |
| drycleaning process.....  | 101      |
| fur and garment storage.....  | 130      |
| laundry washer.....   | 90       |
| re-dyeing.....  | 125      |
| spotting.....   | 114      |
| washing process.....  | 87, 93   |
| water softening.....  | 74       |
| Mehl, M. G., <i>Dakotasuchus kingi</i> , crocodile from Dakota of Kansas.....   | 47       |
| Mercury, efficiency of low pressure mercury arc.....  | 21       |
| low pressure mercury arc.....   | 20       |
| results of using low pressure mercury arc.....  | 25       |
| starting the mercury arc.....   | 24       |
| Merry, James, The Truth about Cacti and Succulents.....   | 163      |
